Ides /idz/ [L idus] npl in the ancient Roman calendar, the 15th of March, May, July, and October, and the 13th of the other months

- THE IDES OF MARCH
- THE MARCH OF DIES
- THE MARCH OF DIMES

● "Beware the Ides of March" is a warning in JULIUS CAESAR by WILLIAM SHAKESPEARE. The Ides of March is March 15th, the day that Roman Emperor JULIUS CAESAR was betrayed and murdered by his friends and members of the Roman Senate. The Ides of March, March 15, is an ancient code of betrayal.

● I-D-E-S re-arranged is D-I-E-S or "dies", as in death. "THE IDES OF MARCH" is exactly "THE MARCH OF DIES" with a slight re-arrangement. "M" is the 13th(unlucky #13) letter of the alphabet. Add an "M" to "dies" and you get "dimes". "THE IDES OF MARCH" is the name "THE MARCH OF DIMES".

● The book 1984 is by the ANCIENT ORDER to show all they do such as:

would exist just as authentically, and upon the same evidence, as Charlemagne or Julius Caesar.

The rulers of such a state are absolute, as the Pharaohs or the Caesars could not be.

then you saw a lifeboat full of children with a helicopter hovering over it, there was a middleaged woman might have been a jewess sitting up in the bow with a little boy about three years old in her arms, little boy screaming with fright

then the helicopter planted a 20 kilo bomb in among them terrific flash and the boat went all to matchwood, then there was a wonderful shot of a child's arm going up up right up into the air

dictatorships, wars, assassinations, poverty, diseases, betrayals of all kinds, etc. That is why the references to Julius Caesar, as seen above. Caesar represents power and betrayal; murder and assassination, and other. Also in 1984 the ANCIENT ORDER have numerous references to their glorification of maiming children.

● The reference above shows a boatload of refugees which include women and children. The boat is shown being bombed and a child's arm is described (after being blown off) as "a wonderful shot" for cheering movie-goers.

● 1984 shows Julius Caesar references and at the same time the

he is a chemist, physicist, or biologist concerned only with such branches of his special subject as are relevant to the taking of life.

murders of children. THE MARCH OF DIMES is a children's organization and at the same time it's very name is a Julius Caesar reference.

"You are prepared to cheat, to forge, to blackmail, to corrupt the minds of children,

"Yes."

"If, for example, it would somehow serve our interests to throw sulphuric acid in a child's face—are you prepared to do that?"

"Yes."

● Notice the passage above from page 160. The reference is to research being done to cause disease, defect and death. Also notice page 142 which shows a pledge being taken; people swearing to maim and disfigure children as well as to corrupt their minds. Corruption of the minds of children will insure children who will become corrupt adults and continue the cycle.

● From page 233 of 1984: doctors, "Md", "the worst thing in the world."

"You asked me once," said O'Brien, "what was in Room 101. I told you that you knew the answer already. Everyone knows it. The thing that is in Room 101 is the worst thing in the world."
