THE ANCIENT ORDER'S "A" AND "O":

- At times the ANCIENT ORDER chooses people and places whose names have only the ORDER's initials ("A" and "O") as vowels.

ADOLF HITLER: THE "A" AND "O" AND THE SCIENCE OF MATHEMATICS:

- The name "Adolf" has only "A" and "O" as vowels.
- Adolf Hitler was also chosen because his name is a multiplication of a Beast of Burden addition and subtraction. $22\ 33.$ $2+2+3+3=10.$ 10 is the addition. $33-22=11.$ 11 is the subtraction. The multiplication: $10 \times 11 = 110.$
- Adolf is $1+4+15+12+6=38.$ Hitler is $8+9+20+12+5+18=72.$ $38+72=110.$

POLAND:

- Poland was chosen because it has only "A" and "O" as vowels.

GENERAL YAMAMOTO:

THE CIRCLE:

- Circle is $3+9+18+3+12+5=50.$ Circle adds to 50. NAZI is $14+1+26+9=50,$ exactly the same as circle. The 50th day of the year is February 19, 2/19. The Dirksen Federal Building in Chicago is at 219 S. Dearborn.

THE SWASTIKA:

- The swastika is the Nazi symbol. It has four(4) 90 degree angles. That would be $4 \times 90 = 360$ degrees, exactly the same as the circle.

THE ANCIENT ORDER'S MOTIVE:

- The ORDER had solved the secret to the power of the atom. For centuries they have killed others. They now wanted to do so with their new-found atomic knowledge. They needed a target and that target had to deserve it.

- JW is one of the Beast of Burden 33 codes. That is one reason for them targeting the Jews. The other was wealth exchanging from someone else's hands to theirs. That is why the gold teeth, etc. The Japanese were set up to sneak attack the U.S., the 'future' inventors of the atomic bomb.

WHY THE JEWS AND JAPANESE:

- The Beast of Burden code is 22 33. J is the 10th letter of the alphabet and $2+2+3+3=10.$ Jew and Japan both begin with the 10th letter.

1933, THE INVISIBLE MAN AND THE "TIM" CODE:

- In 1933, years before World War II, the ANCIENT ORDER show-cased their devices' hidden capabilities in the movie THE INVISIBLE MAN. The 33rd year was to honor the Beast of Burden code. The initials of "The Invisible Man" are "T", "I" and "M" or Tim, short for Timothy; another code.

Invisible Man, The (1933) Film. ***1/2
Dr. James Whale. Claude Rains, Gloria Stuart, Una O'Connor, William Harrigan, E. E. Clive, Dudley Digges, Dwight Faye.
H. G. Wells' fantasy brilliantly materializes on screen in tale of mad scientist who makes himself invisible, wreaking havoc on British country village. Rains' starring debut is dated but still enjoyable. Look fast for John Carmine phoning in a "sighting"; that's Walter Brennan whose bicycle is stolen. ▼●
