

THE ANCIENT ORDER'S DOCTORS AND THE OKLAHOMA BOMBING

● The ANCIENT ORDER blew up the OKLAHOMA FEDERAL BUILDING on the date of April 19, 1995. What day of the century was 4-19-95?

1900 through 1994 is 95 years or 34,675 days:.....34,675
24 leap years so add 24 more days:..... 24
April 19 is the 109th day of the year:..... 109

● Total=34,808

● The OKLAHOMA FEDERAL BUILDING was blown up on the 34,808th day of the 1900's. The total number of days in a century are 100×365 plus 25 more days for the 25 leap years. $36,500 + 25 = 36,525$. How many days were left in this century on the day the OKLAHOMA FEDERAL BUILDING was blown up? $36,525 - 34,808 = 1,717$.

36,525
-34,808
1,717

● To understand why the ANCIENT ORDER chose that date you must know about 2 codes: the "101" or doctor code and the "17" code. The doctor code is "101", named for the 101st element, Mendeleevium, abbreviated "Md", just like "medical doctor", as can be seen at right. The "17" code is below.

101
Md
Mendelevium
(256)

● AA BB CC DD EE FF GG HH II JJ KK LL MM NN
11 22 33 44 55 66 77 88 99 1010 1111 1212 1313 1414

● OO PP QQ RR SS TT UU VV WW XX YY ZZ
1515 1616 1717 1818 1919 2020 2121 2222 2323 2424 2525 2626

● Notice the "808" in 34,808 and the 1,717 are both divisible by the number 101. $808 = 8 \times 101$ and $1,717 = 17 \times 101$. In the alphabet, how many double-letter/double-numbers above are divisible by 101?

● They start at "JJ" or 1010. $101 \times 10 = 1010$. The last of course is "ZZ" or 2626. $101 \times 26 = 2626$. The double-letter alphabet are a code for the "101"/doctor. The first is "JJ" like in J.J. PEPPER and the last of those codes is "ZZ" like in MEZZALUNA or PAPA^{ZZ}ZZI. The letters J to Z are the last 17 letters of the alphabet so there are 17 such codes. That is why the "1717" in the OKLAHOMA bombing date.

● The ANCIENT ORDER blew up the OKLAHOMA FEDERAL BUILDING exactly 1,717 days from the new millennium. They chose the "1717" to honor their "101" doctor code and to also honor the 17 double-alphabet codes which are those 17 codes which relate to the "101" doctor code.

From the
ANCIENT ORDER's
book "1984".

The first thing you must realize is that power is collective. The individual only has power in so far as he ceases to be an individual.

The second thing for you to realize is that power is power over human beings. Over the body—but, above all, over the mind.

"We control matter because we control the mind. Reality is inside the skull. You will learn by degrees, Winston. There is nothing that we could not do."
