

THE ANCIENT ORDER; 000(3/15); EEE (5*5*5); THE IMPEACHMENT

● The ANCIENT ORDER's "000" code comes from the IDES OF MARCH, March 15, the day in 44B.C. that Roman Emperor JULIUS CAESAR was betrayed and murdered by his friends and members of the Roman Senate (which was the government of the Roman Empire). Since "O" is the 15th letter of the alphabet, the ANCIENT ORDER code the Ides of March as three 0's: $000 = 15\ 15\ 15 = 3/15$.

Ides /Idz/ [L idus] npi in the ancient Roman calendar, the 15th of March, May, July, and October, and the 13th of the other months

U.S. NEWS & WORLD REPORT, SEPTEMBER 21, 1998

WASHINGTON, DC
7/24/98

WEAPON: .38-caliber Smith & Wesson revolver

RUSSELL EUGENE (RUSTY) WESTON, 41, is accused of killing a policeman and a federal guard, as well as wounding a female visitor, while charging the Capitol building. He was seriously wounded in an exchange of gunfire.

NEWSWEEK

● GENNIFER FLOWERS PAULA JONES MONICA LEWINSKY
O O O = 3/15

● The women in the IMPEACHMENT process of PRESIDENT CLINTON were chosen because each of them have exactly one O, to put the 000, 3/15, code of betrayal in the Impeachment.

● ANCIENT(66) + ORDER(60) = 126. The 126th day of a year is May 6. But in leap years, the extra day of February 29 pushes every day after it 1 day ahead. Then the 125th day becomes the 126th day. The first 126th day of every century and millennium, is the 125th day. $125 = 5 \times 5 \times 5$.

● The 5th letter of the alphabet is "E". The ANCIENT ORDER use three 5's (555) as well as three E's(EEE) to symbolize the number 126, a numerical code which symbolizes their name: "ANCIENT ORDER".

● GENNIFER FLOWERS PAULA JONES MONICA LEWINSKY
E E E = $5 \times 5 \times 5 = 125$

● The 'Impeachment' women also have the EEE code of the name of the ANCIENT ORDER, one E in each last name.

3-10-2000

● On 11-22-63, LEE HARVEY OSWALD assassinated PRESIDENT JOHN F. KENNEDY. On 7-24-98, RUSSELL EUGENE WESTON shot to death 2 officers in the Capitol bldg. in Washington, D.C.

"The shots which killed President Kennedy and wounded Governor Connally were fired by Lee Harvey Oswald."

● LEE HARVEY OSWALD / OSWALD RUSSELL EUGENE WESTON
EE E O A E E E

● Both 'federal' killers have exactly the EEE code. And Oswald's last name has only "A&O", the ANCIENT ORDER's initials. Weston has exactly EEE in his middle name and, to not be too obvious, an E in his first and last.

● What day of the 1900's was 7-24-98?
1900 through 1997: 98 years or 35,770 days:..... 35,770
25 leap years so add 25 more days:..... 25
July 24th is the 205th day:..... 205
Total=36,000 : 000 = 3/15 ●

● Russell Eugene Weston killed 2 officers in the Capitol building on exactly the 36,000th day of the 1900's. The ANCIENT ORDER chose the 36,000th day because it has exactly three 0's, the 3/15 code of betrayal of the Ides of March. And Weston's name has the EEE code.
